### **What topics will be covered?**

Implementation of Prop 50 grant programs. Topics include:

- Description of criteria for new grant programs
- Pre-application forms and submittal process
- Flowchart for projects, from pre-application through project completion
- Eligibility of projects and project components
- Who to contact for assistance

### **Who should attend the workshops?**

The workshops are directed to representatives of public water systems, but the general public is welcome to attend.

### **Which workshop should I attend?**

Attend the session geographically closest to you, with the following exceptions.

- If you represent water systems in “Prop 50 Southern California Counties” (San Diego, Imperial, Riverside, Orange, Los Angeles, San Bernardino, Santa Barbara, or Ventura) plan to attend the Los Angeles, San Diego, El Centro, San Bernardino, San Luis Obispo, Fresno, or Sacramento workshops.
- If you represent water systems in the remaining counties, plan to attend the sessions in Eureka, Santa Rosa, Berkeley, Salinas, Redding, Fresno, San Luis Obispo, or Sacramento.
- If you represent water systems in both northern and southern California, plan to attend the Fresno, Sacramento, or San Luis Obispo workshops.

### **Is there any advantage to attending more than one workshop?**

No. The same information will be presented at all workshops, with geographic differences for northern and southern California. The Fresno, Sacramento, and San Luis Obispo workshops will include presentations on all grant programs. Choose the workshop location based on the information in the previous response.

### **Do I have to attend a workshop in order to receive funding?**

No. The workshops are for informational purposes only.

### **How do I get more information?**

Consult the DHS Prop 50 website: <http://www.dhs.ca.gov/ps/ddwem/Prop50/> OR

Contact DHS via e-mail at [dwemcomm@dhs.ca.gov](mailto:dwemcomm@dhs.ca.gov) or by telephone at (916) 449-5600.

NOTE: If you need reasonable accommodation due to a disability, please contact Judy Castelan at 916-449-5577, TTY 866-600-7165.

### **Do I need to RSVP?**

RSVPs are required for the Berkeley and Los Angeles workshops.

For other workshops, RSVPs are requested, but not required.

To RSVP, **at least 3 days before the workshop**, send an e-mail to [dwemcomm@dhs.ca.gov](mailto:dwemcomm@dhs.ca.gov) or call (916) 449-5600. In your message please state the name(s) of the person(s) attending, your water system name or the organization you are representing, and the location you will attend.

Note: Parking at the Los Angeles workshop (at Metropolitan Water District’s office at Union Station) is limited. Please plan to carpool, take the train, or take other public transportation.
